

## Acoustic Neuroma Association of Australasia

Contact Person	Mrs Audrey Pollard
Telephone number	(03) 9870 1803
Email	<a href="mailto:info@anaa.org.au">info@anaa.org.au</a>
Address	C/o Better Hearing Australia, 5 High Street, Prahran, Vic, 3181
Website	<a href="http://www.anaa.org.au">www.anaa.org.au</a>
Aim of group	To provide support and information for patients who have experienced Acoustic Neuromas and other benign tumours affecting the cranial nerves.
Summary of services	Hold quarterly meetings on the 3 <sup>rd</sup> Saturday of February, May, August & November at the premises of Better Hearing Australia. We have various guest speakers all relating to Acoustic Neuromas. Members receive a quarterly newsletter with interesting and valuable information, including a transcript of the guest speaker from the previous meeting and details of forthcoming meetings.
Other information	We have branches in Western Australia and South Australia, plus contact with other Acoustic Neuroma Associations in Australia and overseas.
Updated	18 October 2006

### Disclaimer

Support Groups are usually run by non-medical people who have first or second hand experience of a particular health condition. They exist to offer practical or emotional support and advice. They do not provide diagnosis or treatment. Some support groups may charge a membership or service fee. The Eye & Ear Hospital does not endorse the services of these groups or organisations.
