

# The Ronald Lowe Library: Conjoint libraries of the RVEEH & RANZCO

## NEW WEB CATALOGUE: SPYDUS

SPYDUS is the new web catalogue that enables you to search library holdings:  
<http://eyeandear.spydus.com/>

### SPYDUS:

- is easier to search
- is searchable anywhere
- includes Special Collections links- located on the left navigation bar

### SPYDUS includes:

**My Library** -Your free online SPYDUS account. It's located on the left navigation bar of the catalogue. Create your account by logging in using your borrower ID number on your library card and your PIN.

Borrower ID number

**My Library** enables you to:

- renew your loans and check past loans
- reserve items
- set up alerts for new additions to the collection

## OPHTHALMOLOGY INFORMATION PORTAL

*One stop shop for library resources on Ophthalmology*

Includes: journals list (both e-journals and print), internet resource links (eye images & videos), publications by speciality, conference listings plus more.

## CHAT TO US for INSTANT RESPONSE

**Chat to Us** is an online real-time reference service. Benefits include:

- instant response
- easy to use
- faster processing time for your requests
- saves you an interstate/international phone call
- available during library opening hours: AEST 9am - 5pm Mon - Fri.

*RANZCO Fellow (SA) commented: "This chat message service is great" - Dr George Wong.*

## CHASING THE SUN

After-hours reference service - contact us for the web address. A UK Librarian will provide you with reference assistance during their office hours.
